Under Sect. 3.2 titled, “Experiments with sinusoidal solar forcing” on p.343 (right column, lines 1–4), it has been written as “Subsequently, a sinusoidally varying solar irradiance forcing with a period of 200 years and an amplitude of 2 W m^{-2} was applied to the model for each time slice.”

It should have been, “Subsequently, a sinusoidally varying solar irradiance forcing with a period of 200 years and an amplitude of 1 W m^{-2} was applied to the model for each time slice.”
