In our response #5 to reviewer 1 we forgot to mention the SST record of Martínez-García et al. (2010) from ODP Site 882. Unfortunately the temporal resolution of this record is not sufficient for fully investigating changes in the thermocline over the analysed interval.

Martínez-García, A., Rosell-Melé, A., McClymont, E.L., Gersonde, R. and Haug, G.H. (2010) Subpolar link to the emergence of the modern equatorial Pacific cold tongue. *Science* 328: 1550-1553.
