Interactive comment on "Optimal Ranking Regime analysis of TreeFlow dendrohydrological reconstructions" *by* S. A. Mauget

S. Mauget

steven.mauget@ars.usda.gov

I have included the calc_orr.c program and an associated C-Shell script file (CALC_ORR.scr) in the supplemental file calc_orr.zip . I've also noted this in the Ac-knowledgements. I can also supply these files to Reviewer 2 directly is she/he contacts me at Steven.Mauget@ars.usda.gov.
