Received and published: 1 October 2015

The paper 'On the state-dependency of the equilibrium climate sensitivity during the last 5 million years' by Peter Köhler, Bas de Boer, Anna S. von der Heydt, Lennert B. Stap, and Roderik S. W. van de Wal has received two careful reviews. After reading the reviews and the replies by the authors, I encourage the authors to submit a revised version which then will be sent out for review again.
