sorry for being late. I've got only short technical comments: part 3.1 - Chronology: please refer to figure 3 instead of figure 2 (lines 132 and 134) part 5.1.5 - Preboreal... and part 6 - Conclusions: please specify to which Magny et al., 2007 you'd like to refer, 2007a or 2007b?

many thanks
