

Interactive comment on “Statistical issues about solar-climate relations” by P. Yiou et al.

H. Goosse (Editor)

hgs@astr.ucl.ac.be

Received and published: 29 June 2010

A late comment by Le Mouél et al. has been sent to me after the end of the open discussion phase. It could thus not be uploaded anymore as a short comment. However, as this comment and the answer of the authors may clarify the different arguments, it is posted here as a pdf file.
