

Interactive comment on “Perturbing phytoplankton: a tale of isotopic fractionation in two coccolithophore species” by R. E. M. Rickaby et al.

T. Kiefer (Editor)

kiefer@pages.unibe.ch

Received and published: 20 August 2010

Dear Dr. Rickaby and co-authors,

your manuscript has now received two referee reports, which are both generally positive, but contain a number of questions and suggestions. To proceed towards publication in *Climate of the Past* I ask you to respond to all referee comments in an Author Comment and submit a manuscript that is revised accordingly.

As mentioned in a separate automated email to you on 18 August please use the link <http://www.clim-past-discuss.net/6/257/2010/cpd-6-257-2010-discussion.html> for submission of your response and revised manuscript until 15 September 2010.
