

Interactive comment on “Natural variability and anthropogenic effects in a Central Mediterranean core” by S. Alessio et al.

V. Rath (Editor)

vrath@fis.ucm.es

Received and published: 1 February 2012

Dear Authors,

having received two basically positive reviews you are now required to carefully reply to the reviewers comments in order to close the discussion period. You are also invited to submit a revised version of the manuscript to CP, taking into account the detailed comments of referee #2.

All the best, Volker Rath
