

Interactive comment on “Natural variability and anthropogenic effects in a Central Mediterranean core” by S. Alessio et al.

S. Alessio et al.

carla.taricco@unito.it

Received and published: 10 February 2012

Dear Professor Rath,

We replied to Referees n.1 and n.2 and are ready to submit the revised manuscript as soon as we receive the related instructions.

Thank you very much and best regards,

Silvia Alessio
