Received and published: 15 January 2013

Dear Alexander Francke,

Manuscript cp-2012-177 entitled ‘ A Late Glacial to Holocene record of environmental change from Lake Dojran (Macedonia, Greece)’ has been reviewed by two external reviewers.

Both Referees have observed that the manuscript is an interesting well-written contribution and have recommended publication after moderate revision. Therefore, I invite you to respond to the referees comments and revise your manuscript accordingly.

C3123

Once again, thank you for submitting your manuscript to Climate of the Past. We look forward to receiving your revision.

Your sincerely,

Michel Magny
