

Interactive comment on “Reconstruction of high resolution atmospheric fields for Northern Europe using analog-upscaling” by F. Schenk and E. Zorita

V. Rath (Editor)

vrath@fis.ucm.es

Received and published: 9 July 2012

Dear Authors,

both reviewers agree that this paper should be published in CP. Accordingly I invite you to submit a revised manuscript, taking into account the comments/suggestions of both reviewers.

Best,

Volker Rath
