Received and published: 12 March 2013

Dear authors,

The discussion of your manuscript in CPD is now closed. We have three reviewer comments, two anonymous and one self-identified as Peter Jan van Leeuwen.

As you can see from the comments, all three reviewers find your paper interesting and recommend publication after some revisions. All three reviewers suggest changes. I encourage you to submit a revised version of your manuscript, taking the reviewers' into account. Note that all comments have to be answered in the public discussion before a revised manuscript can be considered.
