Received and published: 5 September 2013

Dear Authors,

Your paper has received two comments from reviewers. They underline the interest of your study and provide useful suggestions for modifications in order to improve the clarity and the quality of the presentation of your results.

After you will have addressed the comments, I will be pleased to consider a revised version for publication in Climate of the Past that take into account the reviewers' suggestions.

Thanks again for submitting your work to Climate of the Past.
