Dear authors,

The open discussion of your article has been closed on 28 August. Two reviewers have commented on your paper. As you can see, the both reviewers raise important points. Although the two reviews each address different aspects of the paper, they both make valid suggestions. As was communicated to you in earlier correspondence, please respond to the reviews. All comments have to be answered in the public discussion before a revised manuscript can be considered for final publication.

Best regards, Stefan Brönnimann
