Received and published: 14 March 2014

Dear Prof. Telford,

Thank you very much for your constructive comments.

I am please to submit a revised version of our manuscript, "Model-data comparison and data assimilation of mid-Holocene Arctic sea-ice concentration".

You can find attached the reply to your comments. Thank you for also considering the reply to the referee 2 for a more general answer to your comments.

Best regards,

François Klein and co-authors
