Many thanks indeed for your kind words and valuable feedback. You are right. Tyrrell (1995) did some interesting work with navy log books, but I am sure there is more that could be done here. We will make note of this potential avenue in our revisions.

Tyrrell, J. G.: Paraclimatic statistics and the study of climate change: The case of the Cork region in the 1750s, *Clim. Change*, 29, 231–245, 1995.
