Received and published: 2 February 2018

Dear Eric Wolff

Thanks for your interest in the manuscript and thorough and helpful comments. Below we have copied your text and responded to each section individually. For some of your comments, we have responded in the answer to Referee #2, and refer to the answers given there.

Attached is a document, where we respond point by point to your comments. At the end of document, there is revised version of the manuscript. Most of our replies to the referees refer to this revised manuscript.
