

Dear Hans,

17.10.2017

We have made the requested changes which included:

1. Re-formation of reference list
  - 1.1. Removal capital letters: Koch and Hutchinson
  - 1.2. Included the Melvin et al 2008 as a reference for the signal free standardization
  - 1.3. Removed redundant citation Ummenhofer et al 2015b
2. Update of Supplementary table
  - 2.1. Replaced all N/A with URL or doi
3. Inclusion of data availability section
  - 3.1. Submitted primary input and output are archived in a permanent archive

The primary input and output data will be available on figshare following this link:

<https://figshare.com/s/a73ff374933b07c7e13c>, which ensures a permanent data citation with :  
doi: 10.4225/49/59e3ee30cdbbc

Sincerely,

Mandy Freund,
