Dear authors,

The open discussion phase of your manuscript is now closed. As you have seen, your paper received some critical comments, which I ask you to consider. Please respond to these comments and then submit a revised version of the manuscript. As to the comment of Reviewer #1, asking whether your paper fits the scope of CP, I would like to assure you that it does fit the scope.

I am looking forward to reading your replies.

Best regards, Stefan Brönnimann Editor
