Received and published: 9 July 2018

Dear Authors,

First of all my apologies if the review process took so long. This is unusual but we will do our best to reduce the publication delay. As the two reviewers posted their report, could you use the opportunity offered by the discussion phase in replying the reviewers' comments? Looking forward to reading your comments.

All the very best,

denis-didier Rousseau (Climate of the Past co-editor in chief)
