Climate of the Past Discussions

Interactive comment on "Past, present and future biomes in Beringia: Comparison between simulations and pollen analysis" *by* Kazuyuki Saito et al.

Kazuyuki Saito et al.

ksaito@jamstec.go.jp

Received and published: 22 May 2018

We appreciate the anonymous referee's insightful and valuable comments. We considered them seriously, agree that the current state of the manuscript is not sufficient for the publication in the journal, and have decided to withdraw. We will incorporate the comments received through this review process into a continuation of the work, which we believe will lead to an improved submission in the future.
