Dear reviewer,

Thanks a lot for taking time to review our manuscript and for your very valuable comments!

To adequately consider and respond to your suggestions, I just would like to ask, which

previous studies you are refering to in these two sentences: "For example, previous studies also suggested that some wildfire occurs mainly during the transition of glacial-interglacial variations." "In my view, I think that combustion efficiency is more related with the fire intensity, which has been improved by many previous studies."

Best regards, Elisabeth Dietze
