

Comments to the final version of the manuscript:

Changes in high-intensity precipitation on the Northern Apennines (Italy) as revealed by multidisciplinary data over the last 9000 years

Stefano Segadelli, Federico Grazzini , Veronica Rossi , Margherita Aguzzi , Silvia Marvelli , Marco Marchesini, Alessandro Chelli , Roberto Francese , Maria Teresa De Nardo , Sandro Nanni

In this version, the manuscript was deeply reviewed and reworked, following the reviewer's indications. Besides very minor corrections, I think the manuscript can be definitively published.

Specific corrections

Figure 2, legend: Tectonic instead of Tettonic, Breccias instead of brecias

Line 590 expertise instead of competencies
