Received and published: 14 April 2020

We are grateful to the reviewer for these insightful comments. As explained to the other reviewer the submitted version of the paper to Climate of the Past was modified from the version the reviewer has previously reviewed, and most comments and suggestions were already taken into account. In the attachment, we provide one-by-one replies to answer the questions raised by the reviewer and to explain how and where these have been incorporated in the manuscript.

Please also note the supplement to this comment:
