Figure 3, as one of the reviewers pointed out, the caption for Fig 3 states a date range of 1981-1900 for the C20 Reanalysis. The main text indicates this should be 1871-1900 (Line 166).

Lines 316-317, I believe the second part of this sentence is referring to PMIP2 (Harrison et al., 2015), not PMIP3.

Line 323: protol -> protocol
