Dear Climate of the Past Editorial Board, Dear reviewers,

On behalf of all the authors, I would like to express my gratitude to the three reviewers who have published comments on our work in the interactive discussion. In the appended document, we provide a point-by-point reply to all questions and remarks raised by our reviewers and provide suggestions to how we can improve our manuscript

taking into account the comments of our reviewers. We reiterate comments by reviewers in italics and provide our answers (in red) directly below the comments.

On behalf of all the authors, Niels de Winter

Please also note the supplement to this comment:
