

Interactive comment on “Optimizing sampling strategies in high-resolution paleoclimate records” by Niels de Winter et al.

Niels de Winter et al.

n.j.dewinter@uu.nl

Received and published: 5 February 2021

Dear Alberto Reyes, dear reviewers,

In addition to the more general Author Reply we submitted earlier in this discussion, please find our detailed point-by-point rebuttal to the comments raised by the reviewers attached. We hope that our replies to the reviewers' concerns and the revisions we propose will be adequate to merit publication of our manuscript in Climate of the Past.

Kind regards,

Niels J. de Winter

on behalf of all authors
