Dear Sirs, In the first place, we apologize for the delay in the process of reviewing the article. This was due to the fact that contact with some of the co-authors was difficult, especially in the summer. We would like to thank reviewer for valuable suggestions. We accepted most of them. Their introduction allowed for a significant improvement of the article. We hope that the revised text will meet the expectations of reviewer. We send below responses to reviewers' comments, the corrected text with illustrations, and text that allows you to track changes in the text.
