To whom it may concern,

Re: Response letter to Editor, after resubmission of manuscript "*Simulation of the mid-Pliocene Warm Period using HadGEM3: Experimental design and results from model-model and model-data comparison*" by CJR Williams *et al*. to Climate of the Past.

Thank you very much for your response. I have now made the correction as suggested i.e. I have corrected the units of radiation in Table 1.

I very much hope that my responses will meet your expectations, and satisfy you that it is now acceptable for publication.

Yours faithfully,

Dr Charles JR Williams, and co-authors
