Comment 9

References: I do not know CP's policy, but for me, it is rather that in L761, Ankang is placed before Aiken in L763, or Commission in L771 is placed between Chen. Many such occasions are found, but it they follow the CP's policy, it will be no problem.

Author: response to comment 9

Thank you for this comment. Yes, the references are listed in accordance with the policy of the CP.
